

J. W. McDONALD, K.C., RESIGNS MAYORALTY OF MACLEOD — DUTIES AS LIBERAL LEADER — CESSATION — COUNCIL WITH DEEP REGRET BOWS TO INEVITABLE — COUNCILOR J. SWINARTON APPOINTED TO FILL UNEXPIRED TERM

A special meeting of the Town Council of Macleod was held on Monday afternoon for the purpose of dealing with the resignation of Mayor J. W. McDonald, K.C. All the councilors were present — Deputy Mayor C. E. Tweed, J. Swinarton, W. A. Day, W. O. Hoodless, Alex McLeod and C. W. Stevens.

Mayor McDonald's letter of resignation was read and his resignation was accepted with sincere regret, and a letter of acceptance was ordered to be sent to Mr. McDonald.

In electing a successor to Mr. McDonald the council have the power according to the Act to appoint one of their number to fill out the unexpired term, which in this case will end February, 1931. W. A. Day nominated John Swinarton, and he was unanimously elected.

Mr. Swinarton has been on the council during all the years that Mr. McDonald has been Mayor, and has always taken a most active part in all Town affairs, in fact he has been one of Mr. McDonald's strongest supporters in all the work relative to the financial affairs of the town. Mr. Swinarton has been a resident of Macleod for 32 years, and was a member of the council for 4 years about 20 years ago.

Mayor McDonald's letter of resignation is as follows: "Macleod, June 9, 1930. "E. F. Brown, Esq., Macleod, Alberta.

"Dear Mr. Brown: "I hereby tender my resignation as Mayor of the Town of Macleod.

"In 1923 when I was asked to stand for the position of Mayor it was pointed out to me by several members of the present council, and chiefly by Mr. Day, Mr. Swinarton and Mr. McLeod that there was some special need of my entering into the field of Municipal administration by reason of the difficulties that then faced the Town. In particular there was the question of the Town's finances. After studying the question I came to the conclusion that a refunding of the bond issue was the particular remedy that should be applied to the Town's affairs. After serious consideration, and after consultation with the members of the council at that time, I assumed the premier responsibility of municipal administration. The refunding scheme was entered into and an application made under an Act then just passed by which relief could be granted the Town.

"For the conduct of the difficult members of the council, and particularly that of the above mentioned councilors I have the highest praise. They adhered loyally to the scheme which was proposed at that time, and which, as approved, was effective in saving the Town from the humiliation of bankruptcy proceedings. Members of the council who were elected since that time, also were of great assistance.

"I may say that that plan was entered into entirely without reference to any plan of any preceding council. The plan was finally adopted, and an order was made by the Board of Public Utility Commissioners, which Board had jurisdiction in the matter, and the rise of the town from the condition of bankruptcy dates from the issue of the order.

"A very large percentage of citizens fell in heartily with the scheme and I must say too that from the citizens generally I have had the most loyal co-operation in the payment of taxes and dues since that time. This has given to me the idea that the citizens had faith in my colleagues and in myself, which is a matter always to be remembered with sincere gratitude.

"Since the time of my acceptance of the mayoralty I have given my whole-hearted support to the interests of the town, and this at times in the face of many difficulties I thought might have been avoided if some of the citizens had been rather more kindly disposed towards the council. I think that the results today have fully justified the steps that were taken in 1923 and 1924 to bring the town up to first class financial condition.

"The town has been enabled to have an entirely new lighting system, an entirely new water system, and many other improvements. At the present time there is a substantial surplus on hand, in addition to the contingent reserve fund which the Public Utility Commissioners asked to have set aside to meet any unforeseen emergency. The town has recently, with the approval of the citizens, entered into a project of building a curling and skating rink. The Hydro Electric system has been introduced into the town, and I think upon terms extremely favourable to the town.

"It has been borne in upon me in recent weeks that my duties as leader of one of the political parties in the Province has put upon me a burden which makes my duty seem very plain to me. Under the circumstances of acceptance of this duty and vigorous attempts to carry out the trust imposed thereby, I think that my time must be given more fully to the work of party leader. This makes it wholly impracticable for me to retain the office of Mayor in this town, as it must become manifest to all interested persons that I could not do full justice to the duties of leadership and of the mayoralty as well. The leadership need of my services in the town lies so close to my best interests that I will, whenever occasion requires, be ready to give my services for its advancement.

Sincerely yours,
J. W. McDonald.

Letter accepting resignation from the members of the Council:
"Macleod, June 9, 1930.
"Mr. J. W. McDonald, K.C., Macleod.

"Dear Mr. McDonald: "It is with the most sincere regret that we, the council of the town of Macleod, assembled in special meeting this afternoon, accept your resignation. We realize that the reasons you give are quite sufficient, but our relations with you have been so pleasant that we would have had you remain had it been possible.

"We are confident that the property owners of the town, who have good and sufficient reasons for their reduced tax bills and light bills, share with us in the keen sense of loss we feel. We, your council, who have worked intimately with you during the period of the town's financial rehabilitation, and who know intimately of the many long hours you have devoted to the town's interests, hours given patiently and ungrudgingly, and often rewarded with carping criticism upon the part of those not in a position to justly appraise your work, or unwilling to do so. We, Sir, shall not soon forget the kindness, understanding guidance you gave us, nor we are sure, are the ratepayers ungrateful. "We shall watch with the most sympathetic interest and the sincerest good wishes your future in the wider field, confident that the many excellent qualities of mind and heart we bless you for, will make their impress there.

"We trust that you will accept this letter of appreciation, and the small memento accompanying it, as an attempt on our part to convey to you something of what is in our hearts.

Sincerely yours,
The members of the Macleod Council.

The gift accompanying the above letter was a handsome case of toilet articles.

Correct this sentence: "If I can get an honorable he-man," said the flapper, "I won't care if he's as bald as an egg."

NOMINATIONS FOR MACLEOD CONSTITUENCY

The nomination of candidates to contest the Provincial Constituency of Macleod in the forthcoming election on June 19th, took place Monday, June 9th, at the office of the Returning Officer, A. J. MacGowan, between the hours of 12 o'clock noon and 2 p. m. John Walter McDonald, K.C., Macleod, was nominated by the following: O. F. Farnet, A. F. Grady, Alex McLeod, C. A. Genest, W. A. Day, R. T. Barker, J. W. Moreash, J. J. Burke, J. W. Baird, R. F. Russell, P. J. Maloney, H. Mackintosh, A. Hatton, W. Hutton, T. E. Murphy, R. M. Reid, E. Erickson, Joe Lemire, E. Poulter, Geo. Pearson, Chow Sam, M. K. Jordan, H. F. Maunsell, C. W. Stevens, E. Natche and H. Emmelkamp. W. A. Day is Official Agent for J. W. McDonald.

William Hetherington Shield, farmer Macleod, was nominated by: J. P. Freeman, Geo. Robertson, J. D. Matheson, M. McMurray, Chas. J. Faulkes, A. Champney, N. S. Law, Wm Brewster, Wilfred Perrin, J. W. Horner, J. E. McNeil, J. Horner, J. A. Edgar, Alex Brewster, A. E. Skelding, Henry Little, M. Stewart and J. L. Fawcett. J. D. Matheson, K.C., is Official Agent for W. H. Shield.

There was no excitement during the nominations, only two or three electors being present, as it was a foregone conclusion that only the two nominations would be made.

FOX MUSICAL ROMANCE OF BEAUTIES WHO CLIMB HIGH — SUE CAROL, DIXIE LEE AND WALTER CATLETT FEATURED IN THIS MOVIE-TONE — MONDAY AND TUESDAY—

The romance of a shop girl and her "boy friend," played against a variegated setting that ranges from a Third Avenue tenement to an elaborate roof bungalow and a gorgeously modernistic lodge's establishment, and further adorned with plenty of delightful comedy and half a dozen of the season's catchiest songs—that, in a nutshell, is "The Big Party," John Bylstone's newest Fox Movietone production, opening Monday at the Empress Theatre.

JUNE 18—19—20—21

Janet Gaynor and Charles Farrell, Hollywood's favorite sweethearts, will make their Fox Movietone musical comedy debut on the Empress theatre screen in "Sunny Side Up," written by DeSylva, Brown and Henderson. This elaborate production, hailed as the greatest of the year, will be seen and heard starting June 18.

Farrell reveals a pleasing baritone voice in several song numbers which is certain to add thousands to his already long list of admirers. Miss Gaynor, in addition to singing, dances and plays the zither.

An unusually fine supporting cast surrounds the stars in Sharon Lynn and Frank Richardson, who made individual hits in the "Fox Movietone Follies," Marguerite White, sparkling Broadway comedienne, and El Brendel, whose Swedish impersonations have made him one of the screen's most popular performers.

The celebrated trio of author composers are credited with the successful stage musical comedies, "Good News," "Manhattan Merry," "Three Cheers," "Hold Everything" and "Follow Thru." They have provided half a dozen sensational songs for this production.

Augmenting the imposing cast are 100 singing and dancing beauties in the chorus ensembles. David Butler directed the production.

THE HANDWRITING ON THE WALL

The last ten days of the campaign is witnessing a mighty current gathering against class government. On Monday night at Monarch a crowd more than five times as large as the audience in 1926 gathered to greet J. W. McDonald and Dr. Galbraith speaking on his behalf.

The feeling is growing strong, not against Mr. Shield but against the apparent failure of the Government to do for him what he wants it to do. It is unfortunate that a kindly disposed person like Mr. Shield should have allied himself with a class government but he has done so and the indications are growing stronger each day that he has not shown sufficient strength with the Government

to which he is allied to be able to get for his constituents all that they can justly claim. That Mr. McDonald has created a wonderful impression in the northern part of the Province is apparent from the Exchanges. Do we want to lose our chance of being represented by the leader of the party? It is a chance for Macleod that we should not pass up.

MCDONALD IS WELL RECEIVED AT MONARCH—SENTIMENT APPEARS FAVORABLE TO LIBERAL LEADER IN MACLEOD RIDING

Monarch, June 10.—A well attended and enthusiastic meeting was held at Monarch on Monday evening which was addressed by J. W. McDonald, Liberal leader, Dr. Galbraith of Lethbridge and Hugh McIntosh of Macleod.

There were about ninety present from the village and surrounding countryside, and the sentiment of the meeting appeared to be plainly favorable to the Liberal leader, who is a candidate in the Macleod constituency.

The feeling here is that Mr. McDonald is gaining strength every day and that he has a fine chance to win on June 19.

Our heart goes out to the New Yorker who pondered the census taker's question concerning his marital status, and answered: "Precarious."

How pleasant to sit at a desk and enjoy the early spring daze.

General Hospital, June 4-30
Editor Macleod Times:
Mr. Editor,

Sir—This on behalf of incurables and old people of this institution, we desire through your valuable paper to thank the ladies of the Royal Purple Society for the good things temporal, provided and received by themselves.

Sincerely,
George Dawson.

Magazine ads are funny. They show children playing in a room where the floor is free of litter.

Mother knows best, perhaps. But even daughter knows better.

OBITUARY

DEATH OF EDWARD FIRTH CUMMINS

Marked sympathy was shown on Monday afternoon by the large number of sympathizing friends who were present at the funeral service of Edward Firth Cummins, who died at his residence on 21st street, Macleod, on Sunday, June 8th. There were over 30 cars in the cortege to the cemetery, one of the largest funerals seen in Macleod for some time, showing the very high respect in which the deceased was held by the people of Macleod and district. E. F. "Teddy" Cummins was a well-known figure in Macleod for over 40 years; everybody knew and respected him, especially Old Timers, for he always had a cherry word for his friends when they met on the streets.

The late Mr. Cummins was born in Liverpool, England 65 years ago, and was the son of the late Charles Cummins, of Newstead, Dunham Massey. At the age of 22 he came to Canada and for 2 years lived in Manitoba, coming to Macleod about 41 years ago, locating just about 2 miles north of Macleod at Ballyback Ranch where he spent the greater part of the time since coming west. On the outbreak of the War he enlisted with the 13th O. M. R. in Macleod and went overseas with a draft from that battalion in 1916. On his return he farmed for a short time near Pincher Creek, but meeting with a serious accident, he was incapacitated from working on the farm, and returned to Macleod. He has been a great sufferer since the accident and a few years ago he went back to England for special treatment but evidently got little relief.

Mr. Cummins was married

in Macleod to Miss Mary Louise Gordon Hughes, daughter of Daniel Hughes, White Hall, Chapel-on-Firth, Derbyshire, England, who is left alone to mourn his decease. His only other relatives in this country are a nephew Arthur Hare, of Edmonton, who was present at the funeral, and a cousin, Mr. Cummins of the Head Office of the Bank of Montreal, Winnipeg.

The funeral service was conducted at the home of the deceased by the Rev. Frank Randall Powell, Rector of Christ Church. A favourite hymn of the deceased "Peace, Perfect Peace" was sung at the service. There were 25 Veterans of the Canadian Legion, Macleod Branch, present to pay their last respects to a deceased comrade.

The pall bearers were: H. W. Bright, John W. Baird, H. Watchorn, John Ringland, Jas. Dunbar and Ed. Hillier. Beautiful floral tributes were sent by the following friends: The Canadian Legion, Macleod Branch, "Lest we forget"; Christ Church W. A., The E. H. Maunsells and E.

Brownlee Government's Delinquencies In Omission and Commission

J. W. McDonald, K. C., Liberal Leader, Convincingly Arraigns Present Government on It's Record As Covering Two Terms

Macleod, Alta., June 12, 1930

To the Electors of the Macleod Constituency:

On June 19th you will be called upon to express your opinion of the Brownlee administration. I should appreciate your careful consideration of the following facts in making your decision as to how you will vote:

No meritorious reason can be advanced for an election at the present time of economic stress when more than a year has yet to run to fill out the term for which the Government was elected.

No policy or platform has been announced with reference to the administration of the Natural Resources and other Governments take hold of the Natural Resources without the necessity of an election.

In 1921 and again in 1926, the U. F. A. declared itself in favor of a Farmer Government. Premier Stewart and Premier Greenfield, (both farmers) were successively put out of the Premiership and a lawyer was put in the place of Premier, and now occupies that position.

The Government promised retrenchment in expenditures but has added to the public debt of the Province \$44,000,000.00 covering a period when the population increased only 60,000.

On December 31st., 1921, the per capita gross Provincial debt was \$102.00. To-day it is \$164.00.

Interest payments have increased from \$2,796,750.00 in 1922 to an estimated amount of \$5,826,589.00 for the current year.

During the period from 1923 to 1930 while the Brownlee Government was increasing both the taxation and the capital debt of the Province to this alarming extent, the Dominion Government has decreased taxation to the extent of millions of dollars per annum and decreased the national debt by two hundred and fifty millions, and during the same period, to take an instance right at home, the town of Macleod reduced taxation by almost half, cut down the municipal debt and accumulated a cash surplus of over one hundred thousand dollars. The Brownlee Government can hardly therefore blame its plight upon hard times.

No tax has been reduced and none has been abolished but many have been increased and many new ones created.

The Government has had the advantage of greatly increased income from several items, including liquor profits, motor licenses and gasoline taxes, yet in spite of all this, expenditure has increased faster than income would have increased but for increased taxation. In other words, there had to be increased taxes to meet the growing expenses of the Government.

The Government expenditure to-day is \$20,000.00 per day in excess of what it was when the present Government took the reins of power.

The Government refused to abolish, or cut down to any extent, the Supplementary Revenue Tax.

The Government has neglected to adjust the motor license fees and gasoline tax or to earmark them for expenditure on, and upkeep of, roads.

In one respect, the Government has retrenched expenditure and that is in regard to Education in primary and secondary grades. In 1923, the Minister of Education reduced the grants to these grades and in 1925 reduced the inspection staff. Although there are 1200 more rooms in primary and secondary grades in the Province now than there were 9 years ago, there is no more granted all the schools than the amount formerly granted. Although pretty nearly \$300,000.00 more is spent on Education to-day it is practically all taken up by the grants to the University of Alberta.

In 1929, Hon. Perrin Baker introduced his new school bill. In 1930, after much criticism of the 1929 bill, he re-introduced a modified bill. This bill, if put into effect would have taken all discretionary powers with regard to rural schools from the rural school trustees reducing them virtually to the position of caretakers and tax payers. The bill was temporarily withdrawn—not permanently abandoned and it is no doubt the intention of the Government if returned to power, to put the bill in essentials through the Legislature. To four successive annual offers by the Liberals, of co-operation in the construction of an Education bill to lift the matter of Education out of politics, the Minister of Education gave refusals.

The present Government has not favored and it is not now in favor of a teachers contributory pension scheme.

In investigation of the societies recently organized under the Co-operative Credit Society, one chosen at random, namely, the Donnatville Credit Society, revealed a most unsavory condition of mismanagement and mal-administration of finances—without Government audit and without proper care being taken as to Government liability.

Although a definite answer was promised by the Government to people living on the Lethbridge Northern Irrigation District as to improvement on the rates before seeding should be commenced this year, nothing definite has been announced with the exception that a Commission is to be appointed to look into the matter of rates. No doubt, it is expected that the matter after the election will be shelved for some time to come.

The Government has not carried out its pledges of economy and retrenchment and so it is time for a change.

Class Government is now a broken reed and a discredited and unfair system.

The Government has refused the offer of policing by the R. C. M. P. although this would save hundreds of thousands of dollars.

HAS THE PRESENT GOVERNMENT MADE YOU RICH?

HAS IT CONTRIBUTED TO YOUR WEALTH?

HAS IT LESSENE YOUR TAXES?

HAS IT REDUCED PUBLIC EXPENDITURE?

IF NOT, IT IS TIME FOR A CHANGE.

Yours Truly,

J. W. McDONALD,

Provincial Liberal Leader and Candidate in the Macleod Constituency.

GRANUM LOCAL NEWS

W. C. Sherman was a Calgary visitor last Monday.

C. Neinhuis is the proud owner of a new Plymouth Sedan.

M. Muhly has purchased a Case Wheatland Plow to do his summer following with.

Mrs. W. Byers and Mrs. E. Whinnery motored to Lethbridge on Thursday last.

Jack MacGregor and Misses Ada Veene and Doris Peterson are home from the Calgary Normal School.

Mrs. James Blair, Mrs. S. Stewart, Mrs. G. Goeson and Mrs. C. G. Marsh were Lethbridge visitors Thursday and Friday.

Harold Keopke and Miss Zetta Keopke, Miss Bessie Jones and Mrs. Albert Hamilton motored to Lethbridge on Monday last.

Mr. J. R. Vant, of Calgary, and formerly of Granum, was in town on Sunday and Monday. He visited at the Manse on Sunday after church.

Just motor out to the home of Mrs. Bert Jorgenson Saturday, June 21st, and enjoy a good cup of coffee and some delicious pastry at 2 p. m.

The United Church Ladies' Aid are holding their annual Strawberry Social and Tea at the home of Mrs. Easton on Friday afternoon, June 20th.

Mrs. J. H. Ellis, accompanied Mr. Rowe to Claresholm on Tuesday to visit Mrs. Alfred Ellis who is ill at the home of her mother, Mrs. Buckingham.

Dinner guests at the home of Mrs. McFall last Sunday were: Mr. and Mrs. W. Laughton, Mr. A. Palsen and family, Miss Agnes Jones, and Mr. and Mrs. Albert Hamilton and family.

At Starland Theater Friday and Saturday this week Hoot Gibson in "The Mounted Stranger" a western all-talking picture from the well known Western Adventure story "The Riding Kid from

Powder River." Also two-reel all-talking comedy "A Royal Pair." Admission 25c, 35c and 60c. Tax included. Passed U."

Mrs. E. Kerns was pleasantly surprised on her birthday, Monday last, when a number of her friends dropped in. The afternoon was spent in playing cards. A lovely lunch was served, and a jolly hour was spent around the table when Mrs. Macleod told the guests' fortunes.

Preparations are being made by the various committees for the United Ladies' Aid Annual Lawn Social to be held this year at the home of Mr. and Mrs. Easton in Granum, on Friday, June 20th. The ladies will have, as usual, strawberries and ice-cream with famous fruit juice drinks, and the sports' committee is making arrangements for all kinds of games to watch and to play from fast baseball to the more sedate horse shoe pitching.

Willow Creek Baseball team met Granum Y. P. S. at the School Grounds last week, June 4th, and a very interesting game resulted though there was a rather smart shower of rain which made it difficult for the pitchers. Lomheim, pitching for Willow Creek had a good assortment of curves which were nevertheless hit rather hard at times. Kenneth Blair opening, in the first after two men were down, and driving the ball to the south fence for three bags. Fred Clarke played a great game offensive and defensive, his catch of a foul while running at full speed being as good as anyone could do. Elmer Arlt at second base was fine, as was Jack Leyden subbing at third. The outfielders were K. Blair, R. Blair, and Harrison, and besides good fielding they batted hard. Roy Henker, the Y. P. S. fine catcher was not able to play, and Claude Marsh, who substituted in good shape, was forced to retire in the fifth inning with a split finger, his place being taken by Bill McCorkle. After a poor start when three runs came over, Bob Arlt held the visitors well in hand until he retired in the sixth inning. Edward Deman, following Arlt in the box had a hard time controlling the wet ball, but he fanned several. Both the pitchers batted and fielded well. Willow Creek showed a good team, though the wet ball bothered a good deal. George Lane fielded splendidly at first,

and Lester Streunkel in left field, and in a game where heavy hitting was the order, they earned their tie with Granum, the final score halted by darkness being 12 to 12. Nine innings were played.

There was an enthusiastic meeting of the Session of the United Church, and the Church School Board of Management at the Church Hall last Friday evening from 6 to 8:30 o'clock, and opening with a banquet. Arrangements were made for supply teachers in the School during teachers' vacations, and for the Annual Picnic to be held on July 1st, as well as for a Vacation Bible School to be held at the Church and Hall from July 21st to August 1st.

A most interesting meeting of the United W. M. S. was held at the hospitable home of Mr. and Mrs. R. H. Lawrie on Thursday afternoon last, June 5th, with a good attendance, and with Mrs. J. I. Dimm in the Chair. After a devotional study by the 2nd Vice President, Mrs. Dimm, a report of the Alberta Branch Meeting which she attended as a delegate, was given by Mrs. MacGregor. The report was much enjoyed, as well as the important matters stressed by Mrs. MacGregor with reference to needs of the hour in missionary work. Mrs. Lawrie was assisted by Mrs. R. F. McDougall and Miss McDougall in serving a charming lunch.

The Lutheran Ladies' Aid are holding an Auction Sale at the home of Mrs. Bert Jorgenson on Saturday, June 21st, at 2 p. m.

MACLEOD NEWS

REBEKAH GRAND LODGE OFFICER VISITS MACLEOD

Mountain View Rebekah Lodge No. 23 Macleod, had a special visitation on Tuesday evening at the regular meeting, from Mrs. Ida Day, the Grand Secretary of Rebekah Assembly of Alberta.

There was a large turn out of the members present and there were also present about 15 members from Argyle Lodge Granum and 5 members from Faith Lodge No. 93, Lethbridge, including Sister Field, D. D. P. of district No. 7, Lethbridge.

The Macleod team exemplified the Rebekah Degree, and Mrs. Day in her address afterwards, complimented the Degree Captain Mrs. W. Whitworth, D. D. P. and the team on the splendid manner in which they had put on the work, stating that she had witnessed many teams in Calgary and elsewhere put on the work, and that everyone had something different, Macleod being no exception, for she had seen something new which she had never seen before. Mrs. Day said that she was proud and delighted to represent the President, in visiting Mountain View Lodge, which she looked upon as one of the banner lodges of the Order. More especially was she delighted to visit Macleod, on account of her old and dear friend Sister E. Forster Brown, Past President, being a member of the lodge. Mrs. Day gave an interesting account of the financial standing of the Grand Assembly of Alberta, and also spoke of the benevolent work that is being carried on by the Rebekahs all over the Continent. Mrs. Day was for 6 years Grand Treasurer of the Assembly, and for the past 11 years she has been Grand Secretary, so that she can speak with authority of the condition of the Order.

A number of the visitors gave short addresses, all of them complimenting the team on the work. These included Sisters Field, Ferguson and Undsworth Lethbridge, Sister Blair, Noble Grand of Granum and Bro. Reynolds Granum. At the close over 50 sat down to a splendid banquet and after partaking of the good things provided, Sister Brown, P. P. in a few words, laudatory of the work which Sister Day had done for the Order, presented her with a beautiful sandwich set of English Crown China, as a small memento of her visit to

300 MILE INDIANAPOLIS SPEEDWAY RACE

FLASH

Indianapolis, May 26, 1930: Billy Arnold, driving at an average speed of 116.448 miles per hour, won the 300-mile Speedway race here today on Firestone Gum-Dipped Tires.

BECAUSE of their extra strength and stamina, Firestone Gum-Dipped Tires hold all world's records for mileage and endurance.

Gum-Dipping is an exclusive Firestone process and the only known method of completely insulating every fibre of the tire against internal friction—the greatest enemy to tire life.

This extra process, combined with a rugged safety tread, produces the greatest strength, stamina and safety that is possible to build into a tire.

McCORMICK-DEERING NEWS

"Good equipment makes a good farmer better"
Published by
C. E. TWEED
The Farm Equipment Man
House Phone 41 Office Phone 157

Put Your Farm on a Greater Paying Basis This Year

Harvest and Thresh the Modern McCORMICK-DEERING Way

The McCormick-Deering No. 8 Harvester-Thresher is a sure means of reducing costs and increasing grain profits. Grain is cut and threshed in one operation—it may be marketed earlier, often at a higher price. Owners and elevator men say that grain cut and threshed with the McCormick-Deering often brings premium prices.

A father and son can harvest and thresh an entire crop with McCormick-Deering. You don't have to wait on the threshing crew. The women folks don't have to prepare heavy meals for big crews.

There are so many advantages to be derived from this progressive method which mean more profit, less labor, and time saved that you cannot afford to be without a McCormick-Deering.

The Strawberry Situation

We have had great difficulty thus far this season in getting strawberries of suitable quality, and the price has been out of all reason, we are definitely promised B. C. Strawberries for this week-end and daily after this week. The crop is quite light and it isn't likely that we shall see any very low prices, but there will no doubt be sufficient berries for normal preserving requirements. The preserving season, of course, is still some distance away, depending upon weather conditions.

No thrill like an Eight No Eight like a HUDSON

Easy to Buy—Inexpensive to Operate

Hudson sweeps aside the barrier of high price and operating costs on eight-cylinder cars. An amazing new development is giving thousands distinction and performance hitherto known to only a few.

From the moment you take the wheel of this most modern of Eights, you will be conscious of its superiority. Beautiful and powerful, it is excelled by no car in fast get-away and smoothness.

Loaf along in high gear. Then without touching the gear shift lever push your foot to the floor and dart ahead at express train speed.

Come, see it and ride in it. It will renew your first glorious zest in motoring. It will thrill you with the power of its eight cylinders. It will

delight you with operating economies never before achieved in a car of its performance. And you will say, as thousands are saying, "Here is a Car".

\$1265 for the COACH
Nine other models just as attractively priced. Wide range of colors. All prices f. o. b. Windsor, taxes extra.

A Car for You to Try Will be Sent to Your Door

Only by riding in or driving Hudson's Great 8 will you appreciate its delightful operation. You are invited to take a trial car and test it for smoothness, speed, acceleration, power, easy handling, comfort and economy. A telephone call will bring Hudson's Great 8 to your door.
